

20 December 2021

Dear Resident

New warm and dry transportable homes are coming to 7 Newcastle Street, near where you live. Initial earthworks and has begun.

Two 2-bedroom homes will be moved on to the site early next year.

The houses will arrive in separate shifts in the early hours of the morning, as there are restrictions on hours you can transport houses (between 10.00pm and 6.00am).

Once relocated, work hours will be between 7.30am – 6pm Monday to Saturday. No construction work will be carried out on Sundays or public holidays.

We apologise for any inconvenience this will cause and we will be working hard to reduce the impact of this activity.

All work will be carried out by contractors with considerable experience and a proven track record. They will ensure all health and safety guidelines are followed at the site.

Please note, at times there will be trucks and diggers on site and this will create some noise and dust. The contractors will be doing all they can to limit this, and will clean up the area once the work is done. We appreciate your patience as they go about this work.

If you have any questions about these redevelopments, please call me on 0800 801 601 or 021 533 867

Kind regards,

Zoe Wood
