

# UPDATE

## Proposed new homes for Coromandel St, Newtown

SEPT 2020

**Thank you to everyone who has provided feedback on the two proposed state housing developments at 124-130 and 131 Coromandel Street, where we are looking to build 9 two-storey homes and 21 apartments.**

In June we delivered factsheets and held an online Zoom session to share these proposals, and delivered a letter update in late July. Since then, and taking into consideration the approx. 30 items of feedback received, we have had a second parking survey carried out, and have been refining our plans.

### Community update session

With the return to Alert Level 1 we are now in a position to hold a face-to-face community update session. Join us to learn about adjustments to the plans, parking survey results (available online), and next steps as we apply for resource consent. This session will include time for your questions.

**When:** Wednesday 7 October, 5:30pm - 6:30pm (presentation at 5:45pm)

**Where:** Newtown Community and Cultural Centre, corner Rintoul & Colombo Sts, Newtown
