

Amendment and Restatement Deed to Note Deed Poll

Housing New Zealand Limited

AMENDMENT AND RESTATEMENT DEED TO NOTE DEED POLL

Date: 23 November 2020

MADE BY

Housing New Zealand Limited (HNZ)

BACKGROUND

- A HNZ established a wholesale programme under a Note Deed Poll dated 21 December 2017 (the *Note Deed Poll*) under which it issues Notes from time to time.
- B The purpose of this Deed is to update the Note Deed Poll (including the Terms and Conditions).
- C Condition 21.2(d) permits an amendment to any Note Document without the approval of the Holders if, in the reasonable opinion of the Issuer, the variation is not materially prejudicial to the interests of the Holders as a whole. HNZ is satisfied that these amendments are not materially prejudicial to the interests of the Holders as a whole.

IT IS AGREED as follows:

1 INTERPRETATION

In this Deed, unless the context requires otherwise, words and expressions defined, and references construed, in the Note Deed Poll or in the Terms and Conditions (in each case as amended by this Deed) have the same meanings and constructions when used in this Deed.

2 AMENDMENTS TO PRINCIPAL

With effect on and from the date of this Deed the Note Deed Poll (including the Terms and Conditions) shall be amended and restated in the manner set out in the Schedule.

3 CONTINUATION

With effect on and from the date of this Deed the Note Deed Poll (including the Terms and Conditions) as amended by clause 2 of this Deed will continue in full force and effect.

4 GOVERNING LAW

This Deed is governed by and is to be construed in accordance with New Zealand law.

5 DELIVERY

For the purposes of section 9 of the Property Law Act 2007, and without limiting any other mode of delivery, this Deed will be delivered by HNZ, immediately on the earlier of:

- (a) physical delivery of an original of this Deed, executed by HNZ, into the custody of the initial Registrar; or
- (b) transmission by HNZ or its solicitors (or any other person authorised in writing by HNZ) of a facsimile, photocopied or scanned copy of an original of this deed, executed by HNZ, to the initial Registrar.

MADE BY

Housing New Zealand Limited (company number 544867) (*HNZ*)

BACKGROUND

- A HNZ has established a wholesale programme under which it may issue Notes from time to time.
- B Each issue of Notes will be constituted by, and issued in accordance with, this deed. The Notes will be issued and held subject to the applicable Conditions.

COVENANTS:

1 INTERPRETATION

- 1.1 **Incorporation of defined terms from Terms and Conditions of the Notes**
Terms which are defined or construed in Schedule 1 (*Terms and Conditions of the Notes*) have the same meaning when used in this deed, unless the context requires otherwise.
- 1.2 **Further references**
In this deed, unless the context otherwise requires, references to clauses, paragraphs and Schedules are to the clauses and paragraphs of, and schedules to, this deed.

2 THE NOTES

- 2.1 **Power to issue Notes**
HNZ may issue Notes under this deed at the times, in the amounts, to the persons, on the terms and conditions, and at the prices from time to time determined by HNZ and specified in Final Terms for each Tranche.
- 2.2 **Creation of Notes**
The obligations of HNZ under the Notes will be constituted by, and specified in, this deed and the relevant Conditions. Each Tranche of Notes will be issued under Final Terms which supplement and/or modify and/or replace the terms and conditions set out in Schedule 1.
- 2.3 **Covenant to pay**
HNZ will pay or procure to be paid:
 - (a) interest on each Note as and when due and payable (other than in the case of a Zero Coupon Note); and

- (b) on each date on which any Note becomes due to be redeemed, the Redemption Amount of that Note,

less any amount required to be deducted under Condition 17 or otherwise under the relevant Conditions, to the relevant Holder in accordance with the relevant Conditions.

3 **RIGHTS AND OBLIGATIONS OF HOLDERS**

3.1 **Benefit and entitlement**

This deed is executed as a deed poll. Each Holder has the benefit of, and is entitled to enforce, this deed even though it is not a party to, or is not in existence at the time of execution and delivery of, this deed.

3.2 **Rights independent**

Each Holder may enforce its rights under this deed independently from the Registrar and each other Holder.

3.3 **Holders bound**

Each Note will be issued and held subject to its Conditions and this deed, which shall be for the benefit of, and binding on, HNZ and each Holder and all persons claiming under or through them. Each Holder and all persons claiming under or through them are deemed to have notice of all the Conditions of the relevant Note.

4 **GENERAL**

4.1 **Direction to hold deed poll**

Each Holder is taken to have irrevocably:

- (a) instructed HNZ that this deed (or a certified copy) is to be delivered to, and held by, the Registrar; and
- (b) appointed and authorised the Registrar to hold this deed at its Specified Office on behalf of the Holder.

4.2 **Copies of documents to Holders**

Within 14 days of HNZ or the Registrar receiving a written request from a Holder to do so, HNZ must give, or procure that the Registrar gives, to the Holder a copy of this deed and any other Note Document if the Holder requires the copy in connection with any legal proceeding, claim or action brought by the Holder in relation to its rights under a Note.

4.3 **Governing law**

This deed is governed by New Zealand law.

4.4 **Delivery**

For the purposes of section 9 of the Property Law Act 2007, and without limiting any other mode of delivery, this deed will be delivered by HNZ, immediately on the earlier of:

- (a) physical delivery of an original of this deed, executed by HNZ, into the custody of the initial Registrar; or
- (b) transmission by HNZ or its solicitors (or any other person authorised in writing by HNZ) of a facsimile, photocopied or scanned copy of an original of this deed, executed by HNZ, to the initial Registrar.

EXECUTED as a deed poll

[INTENTIONALLY DELETED]

SCHEDULE 1: TERMS AND CONDITIONS OF THE NOTES

The following are the general terms and conditions which, as supplemented, modified and/or replaced by any supplemental or additional terms or conditions and the relevant Final Terms, will apply to each Note issued under the wholesale Programme of Housing New Zealand Limited. Definitions and interpretation provisions are set out in Condition 25.

PART 1: PROGRAMME AND CONDITIONS

1 PROGRAMME

1.1 Programme

The Issuer has established the Programme for the issuance of Notes from time to time.

The Issuer is not required to issue any Notes under the Programme.

1.2 Note Deed Poll

The Notes are constituted by, and issued in accordance with, the Note Deed Poll.

1.3 Inspection of documents

Copies of each Note Document, including the Note Deed Poll and the relevant Final Terms, are available for inspection upon request by Holders or prospective Holders during normal business hours at the registered office of the Issuer (or such other office as the Issuer may notify the Holders from time to time).

2 TYPES AND CONDITIONS OF NOTES

2.1 Conditions of each Tranche of Notes

Each Tranche of Notes is issued under Final Terms which supplement, modify and/or replace these terms and conditions.

2.2 Series of Notes

Notes are issued in Series that may comprise one or more Tranches. For each Tranche, the Notes in that Tranche will be issued on terms that are identical in all respects. For each Series, the Notes in that Series will be issued on terms that are identical, except for their Issue Dates, first Interest Payment Dates and/or Interest Commencement Dates. For the avoidance of doubt, Notes in the same Tranche or Series may be issued with different Issue Prices.

Unless the context requires otherwise, all subsequent references in the Conditions to "Notes" are to the Notes in the relevant Series only, and not to all Notes that may be issued under the Programme.

2.3 **Types of Notes**

A Note may be a Fixed Rate Note, a Floating Rate Note or a Zero Coupon Note, or any other type of Note specified in the relevant Final Terms. Notes may be puttable or callable in accordance with Condition 13.

2.4 **Issue Price**

Notes may be issued at par or at a premium or at a discount, as set out in the relevant Final Terms.

3 **ISSUE PROCEDURE**

When the Issuer has agreed to issue Notes, the relevant Tranche or Series of Notes will be constituted and issued by:

- (a) the Issuer entering into Final Terms in respect of that Tranche or Series; and
- (b) the Registrar entering the details of the relevant Notes in the Register in accordance with the Conditions and the Agency Agreement.

4 **OBLIGATIONS BINDING**

4.1 **Conditions of the Notes**

Each Note will be issued and held subject to these terms and conditions as supplemented, modified and/or replaced by the relevant Final Terms.

The Conditions of each Note, the Final Terms and the Note Deed Poll shall be for the benefit of and binding on the Issuer and each Holder, and all persons claiming under or through them.

Each Holder and all persons claiming under or through them are deemed to have notice of all the Conditions of the relevant Note and all the provisions of the Note Deed Poll, including these terms and conditions.

4.2 **Hierarchy**

In the event of any inconsistency between the provisions of any Final Terms and these terms and conditions, the provisions of the relevant Final Terms will prevail.

4.3 **Independent obligations**

The obligations of the Issuer in respect of each Note are separate and independent obligations which the Holder is entitled to enforce independently without having to join any other Holder or any predecessor in title of a Holder.

PART 2: FORM, TITLE AND TRANSFER

5 FORM AND DENOMINATION

5.1 Form

Each Note will:

- (a) be a registered debt obligation of the Issuer, constituted by, and owing under, the Note Deed Poll;
- (b) be in uncertificated book entry form;
- (c) have an original tenor of 365 days or more;
- (d) be denominated in New Zealand dollars (unless otherwise specified in the relevant Final Terms); and
- (e) have a face value of NZ\$1.00 or such other amount as may be specified in the relevant Final Terms.

5.2 Specified Principal Amounts

The Notes may be held in Specified Principal Amounts only, which shall include a minimum principal amount for such holdings and multiples of an amount in excess of such minimum principal amount.

Unless otherwise specified in the relevant Final Terms and subject to the selling restrictions contained therein, the Specified Principal Amounts for each Series will be a minimum principal amount of NZ\$25,000 and multiples of NZ\$1,000 in excess of that minimum principal amount.

6 STATUS AND RANKING

Unless otherwise stated in the relevant Final Terms, the Notes constitute direct, unsubordinated, unsecured and unconditional obligations of the Issuer, ranking equally among themselves and at least equally with all other present and future unsecured and unsubordinated obligations of the Issuer, except for liabilities mandatorily preferred by law.

7 OWNERSHIP AND REGISTER

7.1 Title to Notes

The Notes are debt obligations of the Issuer, issued in registered form by entries in the Register.

Entry in the Register in relation to a Note is conclusive evidence that the person so entered is the absolute owner of the Note, subject to correction for fraud or error.

7.2 Certificates

At the request of a Holder, or otherwise as required by any applicable law or listing rules, the Issuer shall procure the Registrar to issue to that Holder a holding

statement or notice of registration in relation to the Notes held by that Holder. Such holding statement or notice of registration shall be in the form agreed between the Issuer and the Registrar and shall comply with any applicable law and listing rules.

A holding statement or notice of registration issued in respect of a Note will not constitute a document of title. Entitlement will be determined solely by entry in the Register and, in the case of the beneficial interest in Notes lodged in a Clearing System, the records of that Clearing System.

7.3 **Details in the Register**

The Issuer shall at all times while Notes are outstanding cause the Registrar to:

- (a) maintain the Register for the Series in New Zealand; and
- (b) record the Holders and such other details of the Notes as required by law, any applicable listing rules, and the relevant Conditions of the Notes, provided that any failure by the Registrar to record the relevant details of the Notes in the Register shall not affect the application of such Conditions to the relevant Notes.

7.4 **Tax and other information required from Holders**

Each Holder must notify the Registrar in writing of its country of residency for Tax purposes and such other information as may be required to determine the payment or withholding obligations of the Issuer or the Registrar, and if not resident in New Zealand for Tax purposes, whether the Holder receives payments from the Issuer in respect of the Notes subject to the New Zealand resident withholding Tax rules.

Each Holder must, within ten Business Days of a reasonable request by the Issuer or an Agent, supply to the Issuer or, as the case may be, the Agent such forms, documentation and other information relating to its status as that person reasonably requests for the purposes of that person's compliance with any law, regulation or exchange of information regime.

7.5 **Inspection of Register**

The Registrar must disclose to a Holder who so requests any information held on the Register which relates to the Notes registered in the name of that Holder and all other information and matters required by any applicable law.

7.6 **Non-recognition of interests**

Except as ordered by a court of competent jurisdiction or required by law, the Issuer and each Agent:

- (a) must treat the person whose name is entered in the Register as the Holder of a Note as the absolute beneficial owner of that Note;
- (b) are not bound to recognise any interest, legal or equitable, in any Note; and
- (c) shall not be affected by any trust (express, implied or constructive) or other equity affecting any Note, or any encumbrance, security or other interest to

which any Note may be subject, even if the Issuer or the Agent (as applicable) has actual notice of any such interest.

7.7 Reliance on Register

Neither the Issuer nor any Agent shall be:

- (a) required to obtain proof of identity of a Holder or its ownership of Notes; or
- (b) liable to any Holder or former Holder for relying on the Register or for accepting as valid any detail recorded in the Register subsequently found to be forged, irregular or not authentic.

7.8 Correction of errors

Any Agent or the Issuer may, on such evidence as appears to it to be sufficient, correct errors and remedy omissions in the Register.

7.9 Co-ownership of Notes

Where two or more persons are entered in the Register as holders of the same Note then they are taken to hold the Note as joint tenants with rights of survivorship. The Registrar is not bound to register more than four persons as joint holders of a Note. In the case of joint holders, only one address will be recorded in the Register and any statement of holding, notice or other document or communication from the Issuer or the Registrar will be delivered to the person whose name is recorded first in the Register on behalf of each joint holder.

If two or more persons apply to be registered as tenants in common, the Registrar may, after notifying the persons of its intention to do so, divide the Notes into parcels which represent each person's share. If the Notes cannot be divided into parcels which would comply with Specified Principal Amount requirements of the Notes, the Registrar may refuse the application.

8 TRANSFER OF NOTES

8.1 Form of transfer

A Holder may transfer any Note held by it by:

- (a) a written instrument of transfer in any commonly used form that complies with the standard form and procedures of the Registrar and any applicable law or listing rules;
- (b) instructing the Registrar to transfer the Note into the name(s) of the transferee(s) through NZClear in accordance with the standard form and procedures of the Registrar or through any other electronic system or facility approved or designated under applicable law from time to time for the transfer of debt securities; or
- (c) any other method of transfer of marketable securities (including as may be operated in accordance with any listing rules) that is not contrary to any law and that is approved by the Issuer.

8.2 Requirements for transfers

Each instrument of transfer as referred to in Condition 8.1 must be:

- (a) duly completed, signed by the transferor and lodged with the Registrar;
- (b) accompanied by any evidence (including legal opinions) that the Registrar or the Issuer reasonably requires to prove the title of the transferor, the transferor's right to transfer the Notes or the identity of the transferor and/or the transferee; and
- (c) if the instrument of transfer is executed by some other person on behalf of the transferor or on behalf of a corporation, accompanied by the authority of that person to execute that transfer.

8.3 Partial transfers

A Holder may transfer part of its holding of Notes. However, no transfer of any partial holding may be made if it would result in the transferor or the transferee holding or continuing to hold Notes with an aggregate principal amount that is not a Specified Principal Amount.

8.4 When transfers effective

Subject to Condition 9.2, title to a Note passes when details of the transfer are recorded in the Register.

8.5 Transfers after Record Date

No Holder may require the transfer of a Note to be registered during the period from a Record Date until the relevant Interest Payment Date, Maturity Date or other due date for redemption on an exercise of a put or call pursuant to Condition 13. This Condition 8.5 will not prevent the registration of a transfer during the period from a Record Date until the relevant Interest Payment Date (other than the Maturity Date) but, in that case, the interest due on the Interest Payment Date will be paid to the Holder appearing on the Register at the close of business on the relevant Record Date.

8.6 Fees and charges

Neither the Issuer nor the Registrar shall charge a fee to any Holder for registering transfers or issuing holding statements or notices of registration (but Holders or prospective Holders shall be responsible for any applicable Taxes and other governmental charges).

8.7 Selling restrictions

A Holder may only offer for sale or sell any Note in conformity with all applicable laws and regulations in any jurisdiction in which it is offered, sold or delivered. No prospectus, investment statement, product disclosure statement, information memorandum, advertisement or other offering material in respect of any Note may be published, delivered or distributed in or from any country or jurisdiction except under circumstances which will result in compliance with all applicable laws.

Each Holder, by subscribing for or otherwise acquiring Notes, agrees to indemnify the Issuer for any loss suffered by it as a result of any breach of the selling

restrictions referred to in this Condition 8.7. Any moneys paid by the Issuer in respect of such loss may be recovered from the Holder as a debt due to the Issuer in respect of such liability and may be withheld from any further payments (if any) to that Holder. Nothing in this Condition 8.7 limits or affects any other right or remedy of the Issuer.

8.8 Transmission by operation of law

When the right to any Note is acquired by any person other than by transfer (for example on the dissolution, death or bankruptcy of a Holder, under a writ of execution, or following the making of a vesting order by a Government Agency), the Registrar, on the application of that person and on being satisfied of that person's entitlement to be registered as the Holder of that Note, will enter that person's name in the Register as the Holder of that Note.

9 CLEARING SYSTEMS

9.1 Notes held in a Clearing System

Notes may be held in NZClear and/or any other Clearing System specified in the relevant Final Terms. If Notes are held in a Clearing System, the rights of each Holder and any other person holding an interest in those Notes are subject to the rules and regulations of that Clearing System.

The Issuer is not responsible for anything a Clearing System does or omits to do or for any loss occasioned by the failure of a Clearing System.

9.2 Transfer of interests in Notes held in a Clearing System

Interests in Notes entered into a Clearing System will be transferable only in accordance with the rules and regulations of that Clearing System.

PART 3: INTEREST

10 FIXED RATE NOTES

10.1 Application

This Condition 10 applies only to Notes specified in the relevant Final Terms as Fixed Rate Notes.

The relevant Final Terms will contain provisions for the determination of fixed rate interest, including the applicable Interest Rate, Interest Payment Dates and Maturity Date, and must be read in conjunction with this Condition 10 and Condition 12 for full information on the manner in which interest is calculated on Fixed Rate Notes.

10.2 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear on each Interest Payment Date up to (and including) the Maturity Date, subject to the application of any applicable Business Day Convention in accordance with Condition 16.5.

10.3 **Calculation of interest**

For any Interest Period or other period for which interest is required to be calculated (other than an Interest Period for which a Fixed Coupon Amount is specified in the relevant Final Terms, in respect of which Condition 10.4 shall apply), the amount of interest payable for such period for any holding of Fixed Rate Notes shall be calculated by applying the Interest Rate to the outstanding principal amount of such Fixed Rate Notes, multiplying such amount by the applicable Day Count Fraction, and rounding the resultant figure in accordance with Condition 12.8.

10.4 **Fixed Coupon Amount**

If a Fixed Coupon Amount is specified in the relevant Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) such date is the Fixed Coupon Amount (unless otherwise specified in the relevant Final Terms).

11 **FLOATING RATE NOTES**

11.1 **Application**

This Condition 11 applies only to Notes specified in the relevant Final Terms as Floating Rate Notes.

The relevant Final Terms will contain provisions for the determination of floating rate interest, including the applicable Reference Rate, Margin, Interest Payment Dates and Maturity Date, and must be read in conjunction with this Condition 11 and Condition 12 for full information on the manner in which interest is calculated on Floating Rate Notes.

11.2 **Interest on Floating Rate Notes**

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date specified in the relevant Final Terms; or
- (b) if no Interest Payment Date is specified in the relevant Final Terms, on each date which falls the number of Months or other period specified as the Interest Period in the relevant Final Terms after the preceding Interest Payment Date, or in the case of the first Interest Payment Date, after the Interest Commencement Date,

in each case subject to the application of any applicable Business Day Convention in accordance with Condition 16.5.

11.3 **Interest Rate determination**

The Interest Rate for any Floating Rate Notes for each Interest Period is the sum of the Margin and the Reference Rate specified in the relevant Final Terms.

The Calculation Agent must determine the Interest Rate for any Floating Rate Note for an Interest Period in accordance with the Conditions (including the relevant Final Terms).

11.4 Bank Bill Rate determination

If Bank Bill Rate is specified in the relevant Final Terms as the applicable Reference Rate for an Interest Period, or if no Reference Rate is specified in the relevant Final Terms, the Reference Rate shall be the FRA settlement rate administered by the New Zealand Financial Markets Association (NZFMA) (or any other person which takes over administration of that rate), expressed as a percentage and rounded to the nearest four decimal places (with 0.00005 per cent. being rounded up), as displayed at or around 10:45am on page BKBM of the Thomson Reuters Screen or Bloomberg equivalent (or its or their respective successor page) on the first day of that Interest Period for bank accepted bills having a tenor closest to the Interest Period.

However, if the FRA settlement rate is not displayed at or around 10:45am on the relevant day, or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, Bank Bill Rate means the rate determined by the Calculation Agent in good faith at or around 10:45am on that day, having regard, to the extent possible, to the mid rate of the rates otherwise bid and offered by two or more leading banks in the New Zealand interbank market for bank accepted bills of that tenor at or around that time.

11.5 Bank Bill Rate fallback interest rate

Unless otherwise specified in the relevant Final Terms, if the Calculation Agent is unable to determine the Interest Rate for any Floating Rate Note for an Interest Period for which Bank Bill Rate is the applicable Reference Rate in accordance with Condition 11.4, the Interest Rate for that Floating Rate Note for that Interest Period is the same as the Interest Rate for that Floating Rate Note for the most recent previous Business Day on which an FRA settlement rate (as referred to in Condition 11.4) rate has been published and none of the circumstances as referred to in the second paragraph of Condition 11.4 exist.

11.6 Calculation of interest

For any Interest Period or other period for which interest is required to be calculated, the amount of interest payable for such period for any holding of Floating Rate Notes shall be calculated by applying the Interest Rate to the outstanding principal amount of such Floating Rate Notes, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure in accordance with Condition 12.8.

11.7 Interpolation

If the relevant Final Terms state that "Linear Interpolation" applies to an Interest Period, the Calculation Agent must determine the Interest Rate for that Interest Period using straight line interpolation by reference to two Bank Bill Rates or other Reference Rates, in each case, as specified in the relevant Final Terms.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the relevant Final Terms).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the relevant Final Terms).

12 GENERAL PROVISIONS APPLICABLE TO INTEREST

12.1 Maximum or Minimum Interest Rate

If the relevant Final Terms specify a Minimum Interest Rate for any Interest Period, then, in the event that the Interest Rate in respect of such Interest Period determined in accordance with Condition 11 is less than the specified Minimum Interest Rate, the Interest Rate for such Interest Period shall be the specified Minimum Interest Rate.

If the relevant Final Terms specify a Maximum Interest Rate for any Interest Period, then, in the event that the Interest Rate in respect of such Interest Period determined in accordance with Condition 11 is greater than the specified Maximum Interest Rate, the Interest Rate for such Interest Period shall be the specified Maximum Interest Rate.

12.2 Calculation of Interest Rate and interest payable

The Calculation Agent must, as soon as practicable after determining the Interest Rate in relation to each Interest Period for each holding of Floating Rate Notes, calculate the amount of interest payable for the relevant Interest Period in respect of the outstanding principal amount of each holding of Notes.

The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

12.3 Determination and calculation of other amounts

If the relevant Final Terms specify that any other amount is to be calculated by the Calculation Agent, the Calculation Agent will, as soon as practicable after the time at which that amount is to be determined, calculate the relevant amount in the manner specified in the Conditions (including the relevant Final Terms).

12.4 Notification of Interest Rate, interest payable and other things

The Calculation Agent must notify the Issuer and any Holder which requests it of:

- (a) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the relevant Interest Payment Date; and
- (b) any amendment to any amount, item or date referred to in paragraph (a)(i) arising from any extension or reduction of any relevant Interest Period or calculation period.

The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination or, as applicable, after a relevant Holder's request. The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period without prior notice but must notify the Issuer and the Registrar as soon as practicable after doing so.

12.5 **Determination and calculation final**

Except where there is an obvious error, any determination or calculation which the Calculation Agent makes in accordance with the Conditions is final and binds the Issuer, each Agent and each Holder.

12.6 **Late payment of Notes**

If the Redemption Amount payable in respect of a Note (other than a Zero Coupon Note) is not paid when due, interest continues to accrue on that Note (both before and after any demand or judgment) at the Interest Rate then applicable to the outstanding principal amount of the Note or any other default rate specified in the relevant Final Terms until the date on which the relevant payment is made to the relevant Holder.

If the Redemption Amount payable in respect of any Zero Coupon Note is not paid when due, the Redemption Amount is an amount equal to the sum of:

- (a) the Issue Price; and
- (b) the amount resulting from the application of the Accrual Yield (compounded annually) to the Issue Price from (and including) the Issue Date to (but excluding) the date on which all sums due in respect of such Note are received by or on behalf of the relevant Holder.

12.7 **Day Count Fractions**

Amounts payable in respect of any Notes may be calculated by reference to, or adjusted in accordance with, the Day Count Fraction as specified in the Final Terms.

If no Day Count Fraction is specified in the relevant Final Terms, the Day Count Fraction shall be:

- (a) in the case of Fixed Rate Notes:
 - (i) for Regular Periods, NZ Govt Bond Basis; and
 - (ii) in respect of any other period, Actual/Actual (ICMA);
- (b) in the case of Floating Rate Notes, Actual/365 (Fixed); and
- (c) in the case of Zero Coupon Notes, Actual/Actual (ICMA).

12.8 Rounding

For the purposes of any calculations required under these terms and conditions (unless otherwise specified in these terms and conditions or the relevant Final Terms):

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest four decimal places (with 0.00005 per cent. being rounded up to 0.0001 per cent);
- (b) all figures must be rounded to four decimal places (with 0.00005 being rounded up to 0.0001); and
- (c) all amounts that are due and payable must be rounded to the nearest cent (with NZ\$0.005 being rounded up to NZ\$0.01).

PART 4: REDEMPTION, PURCHASE AND OPTIONS

13 REDEMPTION

13.1 Scheduled redemption

Each Note is redeemable by the Issuer on its Maturity Date (subject to the application of any applicable Business Day Convention in accordance with Condition 16.5) at its Redemption Amount unless:

- (a) the Note has been previously redeemed; or
- (b) the Note has been purchased and cancelled.

13.2 Early redemption at the option of Holders (investor put)

If the relevant Final Terms state that a Holder may require the Issuer to redeem all or some of the Notes held by that Holder before their Maturity Date under this Condition, the Issuer must redeem the Notes specified by that Holder for an amount equal to the Redemption Amount for the Notes and any interest accrued on them to (but excluding) the redemption date if the following conditions are satisfied:

- (a) the Holder has given at least 30 days' (and no more than 60 days') (or any other period which may be specified in the relevant Final Terms) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the Holder to the relevant Note.
- (b) the notice referred to in paragraph (a) specifies a bank account to which the payment should be made or an address to where a cheque for payment should be sent;
- (c) the proposed redemption date is an Optional Put Redemption Date; and
- (d) any other condition specified in the relevant Final Terms is satisfied.

A notice or document deposited under this Condition 13.2 may not be withdrawn without the Issuer's consent. A Holder may not require the Issuer to redeem any Note under this Condition 13.2 if the Issuer has given notice that it will redeem that Note under Condition 13.3.

13.3 Early redemption at the option of the Issuer (issuer call)

If the relevant Final Terms state that the Issuer may redeem all or some of the Notes of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of those Notes specified in the relevant Final Terms for an amount equal to the Redemption Amount for the Notes and any interest accrued on them to (but excluding) the redemption date.

However, the Issuer may only do so if:

- (a) the Issuer has given at least 30 days' (and no more than 60 days') (or any other period specified in the relevant Final Terms) notice to the Registrar and the Holders; and
- (b) the proposed redemption date is an Optional Call Redemption Date.

13.4 Tax call

If Condition 17.3(a) applies, or the relevant Final Terms otherwise state that a Tax call is applicable, then:

- (a) if the Issuer has or will become obliged to pay any additional amounts as provided for in Condition 17 as a result of any change in, or amendment to the laws, regulations or rulings of New Zealand or any political subdivision or any authority of or in New Zealand having power to Tax, or any change in the application or official interpretation of such laws or regulations (including a ruling by a court of competent jurisdiction), which change becomes effective on or after the date of issue of the first Tranche of the Notes; and
- (b) the Issuer is still obliged to pay such additional amounts despite taking reasonable measures available to it,

the Issuer may at its option redeem all the Notes, but not some only, on any Interest Payment Date (if the Notes are Floating Rate Notes or otherwise if so specified in the relevant Final Terms) or at any time (in any other case) for an amount equal to the Redemption Amount for the Notes and any interest accrued on them to (but excluding) the redemption date.

However, the Issuer may only do so if:

- (a) it has given at least 30 days' (and no more than 60 days') (or any other period specified in the relevant Final Terms) notice to the Registrar and the Holders; and
- (b) prior to it giving such notice, it has delivered to the Paying Agent:

- (i) a certificate signed jointly by the chief executive officer and chief financial officer of the Issuer stating that the Issuer is entitled to effect such redemption and setting out the reasons as to why the right to redeem has occurred; and
- (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

13.5 **Effect of notice of redemption**

Any notice of redemption given under this Condition 13 is irrevocable.

13.6 **Purchases**

The Issuer may at any time purchase Notes in the open market or otherwise and at any price. All unmatured Notes purchased under this Condition 13.6 are not extinguished (unless held beneficially by the Issuer at the Maturity Date) and to the extent held beneficially by the Issuer prior to that Maturity Date may be held, resold or cancelled at the discretion of the Issuer, subject to compliance with any applicable laws. Any Notes so cancelled may not be reissued or resold and the obligations of the Issuer in respect of such cancelled Notes shall be discharged.

PART 5: UNDERTAKINGS

14 **NEGATIVE PLEDGE**

So long as there are any outstanding Notes, the Issuer will not create or permit to exist any Security Interest (other than any Permitted Security Interest) over the whole or any part of its assets as security for any of its Borrowed Money Indebtedness unless the Issuer at the same time as, or before the creation of, that Security Interest, takes all action necessary to ensure that the same or an equivalent Security Interest (or such other Security Interest as may be approved by an Extraordinary Resolution) is extended equally and rateably to the Notes.

15 **REGISTER AND AGENTS**

15.1 **Maintain appointments**

So long as there are any outstanding Notes, the Issuer will:

- (a) maintain a Paying Agent and Registrar of each Note under an Agency Agreement;
- (b) maintain a Calculation Agent, where required by the Conditions;
- (c) cause the Registrar to keep the Register in accordance with the Conditions and the Agency Agreement; and
- (d) comply with and perform its obligations under the Agency Agreement and use reasonable endeavours to ensure that each Agent also does so.

15.2 **Notification of Holders**

So long as there are any outstanding Notes, the Issuer will:

- (a) give or procure that there is given to Holders of any relevant Series prompt notice of the appointment or termination of the appointment of any Paying Agent or Registrar in respect of that Series other than the appointment of the first Agents; and
- (b) promptly give or procure that there is given to Holders of any relevant Series notice of any Event of Default which has occurred in relation to that Series and is continuing unremedied.

PART 6: PAYMENTS

16 **PAYMENTS IN RELATION TO NOTES**

16.1 **Payment to registered Holder**

Payment of the Redemption Amount of, and interest (if any) on, a Note (less any amount required to be deducted in accordance with Condition 17) shall be made to the person whose name appears in the Register as the Holder of the Note on the Record Date in respect of the relevant payment. If more than one person is so named in the Register, payment will be made to the first person so named.

16.2 **Payment of principal**

The Issuer shall pay the Redemption Amount (together with any accrued interest and other amounts due in respect of the Note on the relevant redemption date) for a Note, and all other amounts due in respect of the Note, less any amount required to be deducted in accordance with Condition 17, to the entitled Holder in accordance with Condition 16.1 on the Maturity Date or other due date for redemption in accordance with the Conditions.

16.3 **Payment of interest**

The Issuer shall pay interest on any interest-bearing Note (less any amount required to be deducted in accordance with Condition 17) to the entitled Holder in accordance with Condition 16.1 on the relevant Interest Payment Date.

16.4 **Payments through Paying Agent**

Unless otherwise specified in the relevant Conditions, all payments from the Issuer to Holders in relation to the Notes shall be effected by the Paying Agent, and the Issuer shall ensure that the Paying Agent is placed in funds in sufficient time to enable it to make such payments.

16.5 **Business Day Conventions**

Dates for payment or by reference to which calculations will be made may be adjusted by reference to the applicable Business Day Convention as specified in the relevant Final Terms and those dates will be modified accordingly.

If no Business Day Convention is specified in the relevant Final Terms, the Business Day Convention shall be:

- (a) in the case of Fixed Rate Notes and Zero Coupon Notes, Following Business Day Convention (Unadjusted); and
- (b) in the case of Floating Rate Notes, Modified Following Business Day Convention (Adjusted).

16.6 **Method of payment**

All payments in respect of Notes held in a Clearing System shall be made by the Issuer crediting on the relevant payment date the amount due to the account of the Paying Agent or other account previously notified by the Paying Agent or Clearing System to the Issuer in accordance with the Agency Agreement and the Clearing System's rules and regulations.

All payments in respect of Notes which are not held in a Clearing System by the relevant Holder shall be paid by the Paying Agent:

- (a) by direct credit to a bank account specified by the Holder on the Record Date for the relevant payment in accordance with Condition 16.7; or
- (b) in the absence of such specification by a Holder, by cheque sent to the address of the Holder as recorded in the Register on the Record Date for the relevant payment, in which case the provisions of Condition 16.8 will also apply.

16.7 **Notice of specified bank account or mailing address**

A Holder may specify a bank account to which payments will be made on the Notes, or the address to which cheques will be sent, at the time the Holder subscribes for or is transferred any Notes, or at any other time by notice in writing to the Registrar. Unless otherwise permitted by the Registrar, the bank account so specified must be an account maintained with a registered bank in New Zealand.

A Holder may at any time amend any notice so given by further notice in writing to the Registrar, but no amendment of a notice shall have effect unless another New Zealand registered bank account or address is specified by that Holder.

No notice given under this Condition 16.7 will have effect in respect of any payment unless received by the Registrar on or before the Record Date for the relevant payment. Any notice given under this Condition 16.7 will be deemed to be automatically cancelled upon transfer of all of a Holder's Notes or, in the case of a partial transfer, in respect of the Notes transferred. A notice from one of several Holders of the same Notes is deemed to be given by all such Holders.

If at any time a Holder has provided neither a current address nor current details of a bank account to the Registrar, any payments in respect of any Note to that Holder shall be deemed to be unclaimed money for the purpose of Condition 16.9.

16.8 **Payments by cheque**

If the Paying Agent makes a payment in respect of a Note by cheque, the Paying Agent will send the cheque by prepaid ordinary post on the due date to the Holder at its address appearing in the Register on the Record Date.

Cheques sent to a Holder are sent at the Holder's risk and are taken to be received by the Holder on the due date for payment. If the Issuer makes a payment in respect of a Note by cheque, the Issuer is not required to pay any additional amount as a result of the Holder not receiving payment on the due date in immediately available funds.

16.9 **Unclaimed money**

If any payment made by the Issuer to any Holder to the address, or into the bank account, last specified by that Holder to the Issuer or the Registrar is returned unclaimed, the amount concerned will (unless the Issuer or the Registrar has in the meantime received notice of a change of address or bank account to be entered in the Register) be retained by the Registrar to be held by it for the relevant Holder without any obligation to invest or pay interest on that amount.

Any money not claimed within a period of six Months from the original date of payment must be returned to the Issuer and may be retained by the Issuer unless the relevant Holder produces evidence satisfactory to the Issuer of its entitlement to such amount. The Issuer will have no liability in respect of the unclaimed amount if it remains unclaimed six years after the original date of payment.

16.10 **Payments subject to laws**

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives.

17 **TAXATION**

17.1 **No set-off, counterclaim or deductions**

Except as otherwise specified in the Conditions:

- (a) all payments in respect of the Notes must be made in full without deduction or withholding (whether by way of set-off, counterclaim or otherwise), except to the extent required by law or as provided in this Condition 17; and
- (b) the Issuer will not be required to and will not make any additional payment by way of gross-up or otherwise with respect to the deduction or withholding from any payment made in respect of a Note pursuant to this Condition 17.

17.2 **Withholding Tax**

If any payment on or in relation to a Note is required by applicable law to be made subject to any withholding or deduction for, or on account of, any Taxes, the Issuer shall make such payment, or procure that such payment is made, subject to such withholding or deduction, and shall account for the amount so required to be

withheld or deducted, or procure that such amount is accounted for, to the relevant authorities. In particular:

- (a) Subject to Condition 17.3, New Zealand non-resident withholding Tax will be deducted from payments of interest (or payments deemed by law to be interest) to a Holder who receives such payments subject to the New Zealand non-resident withholding Tax rules; and
- (b) New Zealand resident withholding Tax will be deducted from each payment of interest (or payments deemed by law to be interest) to a Holder who is resident in New Zealand for income Tax purposes or who otherwise receives such payment subject to the New Zealand resident withholding Tax rules, unless acceptable evidence of resident withholding Tax exempt status is produced to the Paying Agent or the Issuer on or before the Record Date for the relevant payment.

17.3 **Approved Issuer Levy**

In respect of any payment of interest (or payment deemed by law to be interest) to a Holder who receives such payments subject to the New Zealand non-resident withholding Tax rules, where payment of Approved Issuer Levy would remove the liability to deduct non-resident withholding Tax, and if the Issuer is lawfully able to pay Approved Issuer Levy then the Issuer, or the Paying Agent on its behalf, shall (unless otherwise directed in writing by the relevant Holder, in which case Condition 17.2(a) will apply) pay Approved Issuer Levy to the appropriate authority and:

- (a) if the relevant Final Terms state that payment of Approved Issuer Levy is on the Issuer's account, then the amount of any Approved Issuer Levy payable by the Issuer under this Condition 17.3 must not be deducted from the interest payment that the payment of Approved Issuer Levy relates to; and
- (b) in any other case, the Holder agrees that the Issuer or Paying Agent shall deduct the amount paid from the interest (or deemed interest) payable to that Holder in lieu of deducting New Zealand non-resident withholding Tax at the rate otherwise applicable from that payment, provided that the Issuer reserves the right not to pay Approved Issuer Levy in the event of any change of law to the Approved Issuer Levy regime.

17.4 **Maximum rate**

Deductions of Taxes will be made at the maximum rates from time to time applicable unless a Holder provides evidence to the Issuer or the Paying Agent (acceptable to it) that a lesser rate or an exemption is applicable.

17.5 **Tax indemnity from Holders**

If, in respect of any Note, the Paying Agent or the Issuer becomes liable to account for withholding Taxes, or make any payment of, or on account of, Tax payable by the Holder, then the Paying Agent and the Issuer shall be indemnified by the relevant Holder in respect of such liability. Any moneys paid by the Paying Agent or the Issuer in respect of such liability may be recovered from the Holder as a debt due to the Paying Agent or the Issuer and may be withheld from any further

payments (if any) to that Holder. Nothing in this Condition will prejudice or affect any other right or remedy of the Paying Agent or the Issuer.

17.6 **Tax status**

The Issuer and each Agent shall be entitled for the purposes of this Condition 17 to rely, without further enquiry, upon any evidence produced or statement made by, or on behalf of, a Holder in relation to that Holder's Tax status or Tax residency, and to regard the Holders entered in the Register as the only beneficial owners of, or the only persons who beneficially derive interest under, the relevant Notes.

PART 7: EVENTS OF DEFAULT

18 **EVENTS OF DEFAULT**

18.1 **Event of Default**

Unless otherwise specified in the Conditions, an Event of Default occurs if:

- (a) (**payment default**) the Issuer fails to pay any interest in respect of the Notes within 10 Business Days after the relevant due date or any principal in respect of the Notes within 5 Business Days of the relevant due date;
- (b) (**other default**) the Issuer defaults in performance or observance of any of its obligations under any Notes of the relevant Series (other than those specified in paragraph (a) above), which default is incapable of remedy or, if capable of remedy, is not remedied within 45 days after notice requiring such default to be remedied has been given to the Issuer by the relevant Holder;
- (c) (**insolvency**) the Issuer becomes unable to pay its Indebtedness as it falls due or stops payment of its debts generally;
- (d) (**winding up/cessation of business**) an order is made or an effective resolution is passed for the winding up of the Issuer or the Issuer ceases to carry on its business in New Zealand other than (in any such case) under or in connection with a scheme of amalgamation or reconstruction not involving a bankruptcy or insolvency or for any winding up in the process of a merger, reconstruction or amalgamation in which the surviving entity has assumed or will assume expressly or by law all the obligations of the Issuer in respect of the Notes;
- (e) (**receivership**) a receiver, administrator, liquidator, provisional liquidator is appointed of, or an encumbrancer takes possession of, or exercises its power of sale in respect of, the whole or any material part of the assets of the Issuer;
- (f) (**statutory management**) a statutory manager is appointed under the Corporations (Investigation and Management) Act 1989 in respect of the Issuer; or
- (g) (**moratorium**) a moratorium is declared in respect of any Indebtedness of the Issuer.

18.2 **Consequences of an Event of Default**

Subject to Condition 18.3, if any Event of Default occurs and continues unremedied, then any Holder of Notes then outstanding may declare by notice to the Issuer (with a copy to the Registrar) that the Redemption Amount (together with any accrued interest) applicable to each Note held by it is either payable immediately or on such other date specified in the notice.

The making of a declaration referred to in this Condition 18.2 gives immediate effect to the provisions of this Condition.

18.3 **Rectification**

Any right of a Holder to declare Notes due and payable terminates if the situation giving cause to it has been cured before such right is exercised.

PART 8: GENERAL

19 **AGENTS**

19.1 **Role of Agents**

In acting under the relevant Agency Agreement and in connection with the Notes, the Agents act solely as agents of the Issuer and do not assume any obligations towards or relationship of agency or trust for or with any of the Holders.

Each Agent shall be entitled to rely on and treat as accurate any information provided, or purported to be provided, to it by the Issuer, a Holder or any other person where that Agent reasonably believes such information to have been provided to it in accordance with these terms and conditions and the Agency Agreement. No Agent shall be liable for errors or defaults caused by reliance on any such information which is later found to be forged, incorrect or not authentic.

19.2 **Appointment and replacement of Agents**

Subject to Condition 15.1, the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor (including the Issuer).

20 **MEETINGS OF HOLDERS**

20.1 **Meetings provisions**

The Meetings Provisions contain provisions (which have effect as if incorporated in these terms and conditions) for convening meetings of the Holders of any Series to consider any matter affecting their interests, including the modification of the Conditions or amendments to any Note Documents.

Any such modification or amendment may be made if sanctioned by an Extraordinary Resolution and agreed by the Issuer in accordance with the Meetings Provisions.

Meetings of Holders shall be convened and held in accordance with the Meetings Provisions.

20.2 **Resolutions binding**

Any resolution passed at any meeting of the Holders of any Series is binding on all Holders of such Series, whether or not they are present at the meeting or vote in favour of the resolution.

21 **VARIATION**

21.1 **Variation with consent**

Subject to Condition 21.2, any Note Document (including, without limitation, the Conditions) may be varied with the approval of the Holders of the relevant Series by Extraordinary Resolution or by the consent in writing of all Holders of that Series.

21.2 **Variation without consent**

The Issuer may vary any Note Document (including, without limitation, the Conditions) without the approval of the Holders if, in the reasonable opinion of the Issuer, the variation:

- (a) is necessary or advisable to comply with any law or Directive;
- (b) is necessary to correct an obvious error, or otherwise of a formal, technical or administrative nature only;
- (c) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision;
- (d) is not materially prejudicial to the interests of the Holders as a whole;
- (e) is convenient for the purpose of obtaining or maintaining a quotation of any Note on any stock exchange in New Zealand or elsewhere; or
- (f) only applies to Notes issued by the Issuer after the date of the amendment.

21.3 **Notice of amendment not required**

The Issuer shall not be required to give notice to a Holder of any amendment to the provisions of any Note Document or the Conditions.

22 **FURTHER ISSUES**

The Issuer may from time to time, without the consent of the Holders, issue notes, bonds or other obligations in any amount and on such terms and conditions as the Issuer sees fit, including without limitation any further Tranche of Notes forming a single Series with existing Notes of that Series.

2.3 **By HNZ**

HNZ may at any time of its own volition convene a meeting of the Holders.

2.4 **By Trustee of any relevant Series**

In relation to any Series in respect of which a Trustee has been appointed and subject always to the Conditions for that Series, the Trustee may at any time of its own volition (after such consultation with HNZ which is reasonable in the circumstances as to the nature of the business the subject of the proposed meeting) convene a meeting of Holders of that Series. The Trustee shall not be obliged to convene a meeting of the relevant Holders pursuant to this Regulation until it has been indemnified or prefunded to its satisfaction (acting reasonably) against all costs and expenses to be incurred in relation to that meeting.

2.5 **Place of meeting**

Each meeting will be held in Wellington or at such other place or in such manner (including, but not limited to, use of telephone, video conferencing or web technology) as designated by HNZ.

2.6 **Regulations**

3 **NOTICE OF MEETINGS**

3.3 **Contents of notice**

The notice will specify the place and Appointed Time of the meeting and the general nature of the business to be transacted. It will not be necessary to specify in the notice the terms of the resolutions to be proposed, except in the case of a resolution proposed to be passed as an Extraordinary Resolution in which case the text of the proposed resolution must be set out.

3.4 **Prior notification of Trustee**

HNZ shall, at least 20 days before it gives notice of a meeting, advise the Trustee (if applicable) in writing of the intended place and time of the meeting and the nature of the business to be conducted and shall in respect of a meeting of any Holders of any relevant Series, obtain the prior written approval of the Trustee to any documents it proposes to send to the relevant Holders (such approval not to be unreasonably withheld or delayed). If the Trustee so requires, the documents shall include any statement which the Trustee wishes to make in relation to the meeting and the matters to be considered at it.

3.5 **Short or informal notice**

Despite any other provision of this Regulation 3, a meeting may be called by shorter notice than that specified in Regulation 3.2, or without any formal notice, and without compliance with Regulation 3.3, and shall be deemed to have been duly called if it is so agreed by all Holders before, at or after that meeting.

3.6 **Accidental omission**

The accidental omission to give notice to, or the non-receipt of notice by, any person (other than the Trustee, if applicable) entitled to receive notice will not invalidate the proceedings at any meeting.

4 **QUORUM**

4.1 **Quorum required**

4.2 **Quorum for Extraordinary Resolution**

Subject to Regulation 4.4, the quorum for passing an Extraordinary Resolution will be two or more Holders (present in person or by Representative) holding or representing (in aggregate) at least a majority in principal amount of the Notes then outstanding. If there is only one Holder of the Notes, that Holder (present in person or by Representative) will constitute the quorum for passing an Extraordinary Resolution.

4.3 **Quorum for other business**

Subject to Regulation 4.4, the quorum for the transaction of any business other than the passing of an Extraordinary Resolution will be the Holders present in person or by Representative holding or representing (in aggregate) at least 10% in principal amount of the Notes then outstanding.

4.4 **Quorum not present**

If, within 15 minutes (or any longer time not exceeding 45 minutes as the chairperson of the meeting may decide) after the Appointed Time, a quorum is not present the meeting, if convened at the request of Holders, will be dissolved. In any other case it will be adjourned to a day and time (not being less than 14 days later but no more than 42 days later) and to a place as may be appointed by the chairperson of the meeting. At such adjourned meeting all the Holders present in person or by Representative will be a quorum for the transaction of business including the passing of Extraordinary Resolutions.

4.5 **Notice of adjourned meeting**

Despite Regulation 3.1, notice of any such adjourned meeting of Holders at which an Extraordinary Resolution is to be submitted shall be given to the same persons as those who were given notice of the original meeting and otherwise will be given in the same manner as for an original meeting (except that only seven days' notice will be required) and such notice will state that the Holders present in person or by Representative at the adjourned meeting will form a quorum whatever the principal amount of Notes held by them.

5 **CHAIRPERSON**

A person nominated by HNZ shall preside at every meeting of Holders. If no such person is nominated or if at any meeting the person nominated is not present within 15 minutes after the time appointed for holding the meeting, the Holders or Representatives present shall appoint a person to be chairperson of the meeting. A chairperson need not be a Holder.

6 **RIGHT TO ATTEND AND SPEAK**

- (b) person appropriately authorised by HNZ;
- (c) director, officer or solicitor of the Trustee (if applicable);
- (d) person appropriately authorised by the Trustee (if applicable);
- (e) Holder;
- (f) Registrar; or
- (g) financial or legal adviser of the above parties respectively,

may attend any meeting and all such persons will have the right to speak at the meeting.

7 **ADJOURNMENT**

7.1 **Chairperson may adjourn**

The chairperson of the meeting may, with the consent of the meeting at which a quorum is present, and will, if so directed by the meeting, adjourn the meeting from time to time and from place to place.

7.2 **Business at adjourned meeting**

No business will be transacted at any adjourned meeting except business which might have been lawfully transacted at the meeting from which the adjournment took place.

8 **ONLY PERSONS ON REGISTER RECOGNISED BY HNZ**

The persons named as Holders in the Register at the Proxy Closing Time will be recognised and treated as the legal owners of the Notes whether those persons are or are not in fact the beneficial owners of those Notes.

9 **AUTHORITY TO VOTE**

9.1 **Voting**

An individual Holder may vote personally or by his Representative and a Holder which is a corporation may vote by its Representative. A Holder may appoint more than one Representative, each such Representative being authorised to act on behalf of the Holder in respect of a specified principal amount of Notes then outstanding.

9.2 **Entitlement**

The persons named in the Register as Holders at the Proxy Closing Time, or the Representative(s) or the personal representatives or assignees in bankruptcy of any such Holder will be exclusively entitled to vote in person or by Representative in respect of the Notes recorded as owned by them.

10 **PROXIES**

10.1 **In writing**

The instrument appointing a proxy must be in writing signed by the appointer or his attorney or, if the appointer is a corporation, either by an authorised person or attorney or by any director, general manager, investment manager or other person who appears to have authority to appoint a proxy on behalf of the corporation.

10.2 **Proxy need not be Holder**

A person appointed to act as a proxy need not be a Holder. A holder of a proxy will have the right to speak at the meeting.

10.3 **Deposit of proxy**

The instrument appointing a proxy, and, if applicable, the power of attorney or other authority under which it is signed or a copy of such power or authority certified by a solicitor or in any other manner approved by HNZ, must be deposited at the place appointed by HNZ in the notice convening the meeting (or, if no such place is appointed, then at the registered office of HNZ) not later than the Proxy Closing Time. An instrument of proxy which is not so deposited will not be treated as valid unless HNZ, in its absolute discretion, elects to accept any instrument of proxy notwithstanding that that instrument, or any power of attorney or other authority, is received or produced at a place other than that specified above or out of time.

10.4 **Form of proxy**

An instrument of proxy may be in any usual or common form or in any other form determined by HNZ and may make provision for directions to be given by the grantor to vote in favour of or against any proposed resolution.

10.5 **Proxy valid for meeting**

An instrument of proxy, whether in a usual or common form or not, will, unless the contrary is stated thereon, not need to be witnessed and will be valid for the meeting to which it relates and for any adjournment of that meeting. Notwithstanding any provisions contained in an instrument of proxy, no instrument of proxy will be valid after the expiration of 12 months from the date of its execution notwithstanding any provision to the contrary in the instrument, but this provision

will not be construed to apply to the appointment of an attorney or Representative otherwise than by an instrument of proxy.

10.6 **Proxy in favour of chairperson**

An instrument of proxy in favour of:

- (a) the chairperson of HNZ;
- (b) the chairperson of the meeting,

(however expressed) will be valid and effectual as though it were in favour of a named person and will, in the case of paragraph (a) above, constitute the person holding the office of the chairperson or chief executive officer of HNZ or, in the case of paragraph (b) above, the person who chairs the meeting for which the proxy is used (whether on adjournment or not), the lawful proxy of the appointer. If the Holder gives the proxy discretion in any such instrument of proxy or does not make an election in respect of a resolution, the Holder will be deemed to be directing the proxy to vote in favour of the relevant resolution(s).

11 **HOLDER MAY APPOINT ATTORNEY**

Except where a Holder is HNZ or any of HNZ's subsidiaries, any Holder may by power of attorney appoint an attorney (who need not be a Holder) to vote and act on his behalf at any meeting. An attorney will be entitled to produce evidence of his appointment at any time before the Appointed Time. An attorney who is so empowered may exercise the Holder's right to appoint a proxy.

12 **CORPORATE REPRESENTATIVES**

12.1 **Authority**

A Representative of a Holder which is a corporation or a corporation sole will, until his authority is revoked, be entitled to exercise the same powers on behalf of the corporation as that corporation could exercise if it were an individual Holder and will be entitled to produce evidence of his authority to act at any time before the Appointed Time of, or at, the meeting or adjourned meeting or for the taking of a poll at which the Representative proposes to vote.

12.2 **Right to act**

A Representative will have the right to demand or join in demanding a poll and will (except and to the extent to which the Representative is specially directed to vote for or against any proposal) have power generally to act at the meeting for the Holder concerned.

13 VOTING PROCEDURE AND POLLS

13.1 Show of hands

A resolution put to the vote of a meeting will be decided on a show of hands unless a poll is demanded (before or on the declaration of the result of the show of hands) by:

- (a) the chairperson of the meeting;
- (b) the Trustee (if applicable);
- (c) HNZ or any representative of HNZ; or
- (d) one or more Holders holding or representing not less than 5% in aggregate principal amount of the Notes then outstanding.

A declaration by the chairperson of the meeting that a resolution has been carried by the requisite majority or lost will be conclusive evidence of that fact unless a poll is demanded.

13.2 Number of votes

- (a) On a show of hands each person present at the meeting and entitled to vote (whether personally or as a Representative) will have one vote only. On a poll every Holder who is present in person or by a Representative will have one vote for every \$1 of principal amount of the Notes then outstanding of which that person is the Holder as at the date of the meeting.
- (b) On a poll votes may be given either personally or by Representative and a person entitled to more than one vote need not use all their votes or cast all the votes they use in the same way.
- (c) Neither HNZ nor any of HNZ's subsidiaries shall be entitled to vote in relation to any Notes held by them.

13.3 Poll

If a poll is demanded it will be taken in the manner directed by the chairperson of the meeting and the result of the poll will be deemed to be the resolution of the meeting at which the poll was demanded.

13.4 Chairperson has no casting vote

The chairperson of any meeting will not have a casting vote in addition to the votes (if any) to which the chairperson may be entitled as a Holder or on behalf of Holders.

13.5 Election of chairperson

A poll demanded on the election of a chairperson of the meeting or on a question of adjournment will be taken immediately. A poll demanded on any other question will be taken either immediately or at a time within 30 days from the date of the meeting and in a place appointed by the chairperson. The result of the poll will be

deemed to be the resolution of the meeting at which the poll was demanded. No notice need be given of a poll not taken immediately.

13.6 **No disturbance**

The demand for a poll will not prevent the continuance of a meeting for the transaction of business other than the question in relation to which the poll has been demanded.

13.7 **Joint Holders**

In the case of joint Holders the vote of the most senior who tenders a vote whether in person or by Representative will be accepted to the exclusion of the vote of the other joint Holders and for this purpose seniority will be determined by the order in which the names stand in the Register in respect of the joint holding.

13.8 **Disqualification**

A vote given in accordance with the terms of an instrument of proxy or power of attorney or other authority will be valid notwithstanding the previous death, insanity or (in the case of a corporation) liquidation of the principal or revocation of the proxy or power of attorney or authority or the transfer of the Notes in respect of which the vote is given, provided that no written notice of such death, insanity, liquidation, revocation or transfer is received by HNZ at its registered office before the commencement of the meeting or adjourned meeting at which the proxy, attorney or authority is used. Neither HNZ nor any of its subsidiaries shall be entitled to vote in respect of any Notes held by them.

14 **EXTRAORDINARY RESOLUTIONS**

14.1 **Powers**

A meeting of Holders will, in addition to all other powers which by this deed are specified as exercisable by Extraordinary Resolution and any other powers conferred on it, have the following powers exercisable by Extraordinary Resolution namely power to:

- (a) sanction either unconditionally or upon any conditions the release of HNZ from the payment of all or any part of the moneys payable pursuant to the Conditions or the Notes;
- (b) sanction any request from HNZ for the exchange of the Notes for, or the conversion of the Notes into, shares, stock, debentures, debenture stock or other obligations or securities of HNZ or any other company formed or to be formed;
- (c) postpone or, with the concurrence of HNZ, to accelerate the day when the principal amount of any Notes becomes payable and to suspend or postpone for a time the payment of the principal amount or interest on any Notes;
- (d) sanction any alteration, release, modification, waiver, variation, or compromise or any arrangement relating to the rights of the Holders against HNZ or its assets however those rights arise;

- (e) assent to any amendment to the Conditions applicable to any Series or the Note Deed Poll (including the Meeting Provisions and any deed, document or instrument in connection with the foregoing) proposed or agreed to by HNZ (and, where required, the Trustee) and to authorise HNZ (and the Trustee, if applicable) to execute any supplemental deed or other document or instrument embodying any such amendment;
- (f) give any sanction, assent, release or waiver of any breach or default by HNZ (or the Trustee, if applicable) under any of the provisions of the Conditions or the Note Deed Poll (and any deed, document or instrument in connection with the foregoing);
- (g) sanction any scheme for the reconstruction of HNZ or for the amalgamation of HNZ with any other corporation where such sanction is necessary;
- (h) subject to the Conditions, remove any applicable Trustee and to approve the appointment of or appoint a new Trustee;
- (i) consent to, approve, authorise and direct any applicable Trustee in respect of any of the matters referred to in any of the foregoing paragraphs of this Regulation 14.1, or as to any other matter which may be necessary to carry out and give effect to any Extraordinary Resolution; and
- (j) authorise or direct HNZ (and if applicable, the Trustee) to execute any supplemental deed or other document or instrument embodying such sanction, authority or approval, assent, release, waiver, direction or request.

14.2 **Binding on Holders**

An Extraordinary Resolution passed by Holders in accordance with these Meetings Provisions will be binding upon all the Holders whether or not they were present or entitled to be present at the relevant meeting, or signed the relevant resolution pursuant to Regulation 16, as the case may be, and all Holders will be bound to give effect to that resolution. The passing of any such resolution will, as between HNZ and the Holders, be conclusive evidence that the circumstances justify the passing thereof. Notwithstanding the foregoing:

- (a) a resolution which affects a particular Holder only, rather than the rights of all Holders generally, or of a particular Class of Holders generally, will not be binding on such Holder unless such Holder agrees to be bound by the terms of such resolution;
- (b) a resolution which affects one Class only of Notes is deemed to have been duly passed if passed at a properly convened and held meeting of the Holders of that Class or pursuant to Regulation 16;
- (c) a resolution which affects more than one Class of Notes, but does not give rise to a conflict of interest between the Holders of any of the Classes so affected, is deemed to have been duly passed if passed at a single properly convened and held meeting of the Holders of all Classes so affected or pursuant to Regulation 16; and

- (d) a resolution which affects more than one Class of Notes and gives or may give rise to a conflict of interest between the Holders of any of the Classes so affected is deemed to have been duly passed if passed at separate properly convened and held meetings of the Holders of each Class so affected or pursuant to Regulation 16.

14.3 **Reliance on advice**

HNZ and the Trustee (if applicable) may rely on, and the Holders and the Registrar for the relevant Class shall be bound by, a legal opinion from a leading law firm in New Zealand to the effect that a resolution affects one Class only or, if it affects more than one Class of Notes, does not give rise to a conflict of interest, for the purposes of determining the meeting or meetings which need to be held for the purposes of Regulation 14.2.

15 **MINUTES TO BE KEPT**

Minutes of all resolutions and proceedings at every meeting will be made by HNZ or, if HNZ is not present at the meeting, by a person appointed by the chairperson of the meeting. Minutes must be entered in books from time to time provided for that purpose by HNZ. Any such minutes, if signed or apparently signed by the chairperson of the meeting at which a resolution was passed or proceedings had or by the chairperson of the next meeting of Holders, will be prima facie evidence of the matters recorded in those minutes. Until the contrary is proved every meeting in respect of which minutes have been made will be deemed to have been properly held and convened and all resolutions passed or proceedings had at that meeting to have been properly passed and had.

16 **RESOLUTIONS IN WRITING**

16.1 **Extraordinary Resolution**

Anything that may be done by Holders by a resolution or Extraordinary Resolution passed at a meeting of Holders may be done by a resolution in writing signed by not less than 75% of the Holders having the right to vote on that resolution, holding in aggregate Notes conferring the right to cast not less than 75% of the votes which could be cast on that resolution.

16.2 **Counterparts**

Any such resolution may consist of several documents in similar form, each signed by one or more Holders. The resolution is passed when the last Holder signs the counterpart resolution (as evidenced by the appearance of the signature itself).

16.3 **Accidental omission**

The accidental omission to give a copy of the resolution to, or the non-receipt of the resolution by, any Holder will not invalidate a resolution in writing made in accordance with Regulation 16.1.

16.4 **Execution**

Any such resolution may be signed by a Holder, or an agent or attorney of the Holder duly authorised in writing, or if the Holder is a company, by a director, or by an attorney so authorised by the company.
