Re: New housing for 31 State Ave, Onehunga

Oranga Development has kept the neighbours and stakeholders informed about our progress on the above development.

As someone who has an interest in this site, we wanted to let you know that work on the new houses will soon be taking place. Our build partner for this project is Home Construction Limited.

The redevelopment of these properties will see an old house replaced with two warm, dry, modern homes. These will be made up of 2 x three-bedroom homes.

We are looking forward to seeing the brand new housing that will take shape in the coming months.
