Kia ora Neighbour,

New housing for 15-19 Grace Street, Ōrākei

Kāinga Ora (previously known as Housing New Zealand) wrote in September 2020 advising on progress for the above redevelopment; which consists of:

- 8 three-bedroom homes
- 9 two bedroom homes
- And a community room

We are pleased to advise that construction is now complete. Upon completion, the houses went through Kāinga Ora's quality control checks. All identified issues are rectified, and Auckland Council has issued the code compliance certificate. Our customers have moved into their new homes, or will be soon.

We wish to take this opportunity to thank the neighbourhood for its patience during construction.

We thank you again for your patience.
