Dear Resident,

New homes coming to Knowles Street

Construction of much needed new warm, dry homes are planned for 240 Knowles Street, near you. These homes are being developed on land already owned by Kāinga Ora, formerly known as Housing New Zealand, with the aim of providing homes for people in need.

The existing home will be replaced with four x 1 bed homes.

Next steps

Construction starting:

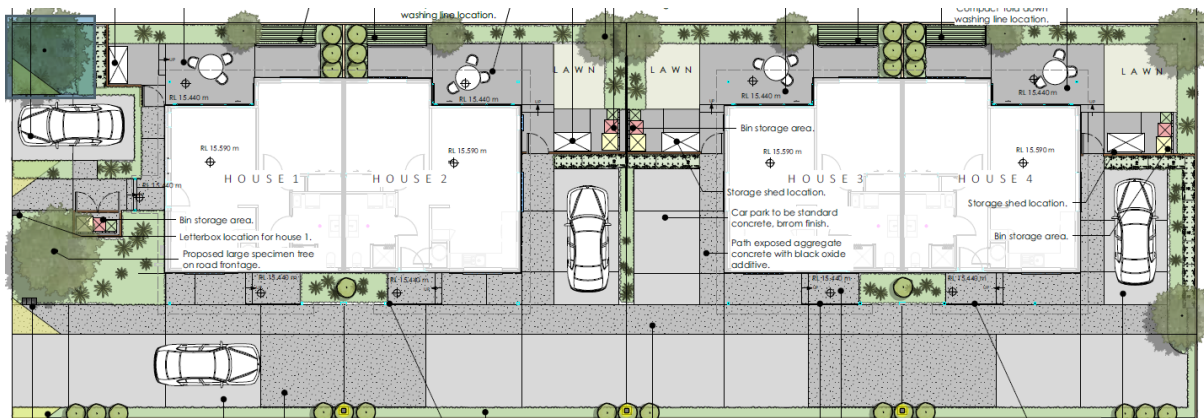

June 2023

Construction complete:

December 2023

These redevelopments will enable us to house more people, within an existing community, close to local schools and nearby transport routes.

We are committed to building homes that are a good fit for the neighbourhoods they are in, and designed in a way that provides the best outcomes for the people living there, their neighbours and wider community.

Layout plan

Contractor work hours will be between 7am – 6pm Monday to Saturday. No work carried out on Sundays or public holidays.

All work will be carried out by contractors with considerable experience and a proven track record. They will ensure all health and safety guidelines are followed at the site. We appreciate your patience as they go about this work.

If you are the resident but not the owner of your property, please pass this on to the owner for their information.

Thanks for your patience while these homes are built. If you have any questions about this redevelopment please contact me on 0800 801 601 (provide address as a reference) or email me nicole.stark@kaingaora.govt.nz

Kind Regards,
