Kia ora,

New homes coming to 178 Langdons Road and 3 Oakland Street

The Government is delivering more public housing to meet an increasing need in our communities. As part of this work, Kāinga Ora – Homes and Communities is redeveloping the site on the corner of 178 Langdons Road and 3 Oakland Street, near where you live.

6 x two-bedroom homes and 2 x four-bedroom two storey homes are planned for this site. These homes will provide people with a warm, dry and safe place to live. Each home will have off street parking.

Site preparation is underway and demolition is about to commence. These homes are due to be completed by the last quarter of 2023.

Contractor work hours will be between 7.30am – 6pm Monday to Saturday. No construction work will be carried out on Sundays or public holidays.

All work will be carried out by contractors with considerable experience and a proven track record. They will ensure all health and safety guidelines are followed at the site. We appreciate your patience as they go about this work.

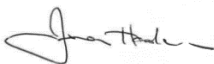

If you are the resident but not the owner of your property, please pass this on to the owner for their information.

If you have any questions about this redevelopment please contact me on 021 222 0515 or james.hadlee@kaingaora.govt.nz
