Dear Resident

Replacing our shared boundary fence

Kāinga Ora (formerly Housing New Zealand) would like to inform you that two transportable homes are coming to 125 Emmett Street, Shirley, near where you live.

Two 2-bedroom, single storey units will be moved onto the site in the coming months. These homes due to be completed around June-July 2022. These homes will provide people with a warm, dry, safe place to live.

We are looking to replace the fencing on the boundary with a new 1.8m timber fence and need to speak with you. If we have already connected with our Project Manager, please disregard this letter.

If you share a boundary fence with the site please contact us as soon as possible so we can determine any specific requirements you may have that we need to take in to consideration if we need to replace your fence. For example, you may have young children or animals, and would need to be notified of when the work will start so you can ensure their safety.

If you are the resident but not the owner of your property, please pass this information on to the owner or agent for their information.

Please call our project manager Chris Clayton 021 303 527 on or email Chris.clayton@kaingaora.govt.nz to discuss fencing related matters.

If you have any further questions about other aspects of this development, please contact me melissa.mccreanor@kaingaora.govt.nz or 021 227 3825.

Kind Regards

Melissa McCreanor
