Dear Resident

Kāinga Ora (formerly Housing New Zealand) would like to inform you that two transportable homes are coming to 30 Emmett Street, Shirley, near where you live.

Two 2-bedroom, single storey units will be moved onto the site in the coming months. These homes due to be completed around June-July 2022.

The homes will arrive in separate shifts in the early hours of the morning, as there are restrictions on hours you can transport houses (between 10.00pm and 6.00am).

Once relocated, work hours will be between 7.30am – 6pm Monday to Saturday. No construction work will be carried out on Sundays or public holidays.

We apologise for any inconvenience this may cause and we will be working hard to reduce the impact of this activity.

Contractors with considerable experience and a proven track record will carry out all work. They will ensure all health and safety guidelines are followed at the site.

Please note, at times, there will be trucks and diggers on site and this will create some noise and dust. The contractors will be doing all they can to limit this, and will clean up the area once the work is done. We appreciate your patience as they go about this work.

If you have any questions please call me on 0800 801 601 or 021 227 825. Alternatively, you can email me on melissa.mccreanor@kaingaora.govt.nz

Please find an artist impression of the proposed homes.

Kind regards,

Melissa McCreanor
