Building better, brighter homes, communities and lives.

Additional new homes proposed for your neighbourhood – 60 Haukore Street, Tauranga

To help meet the urgent need for more modern homes for whānau and tamariki in Tauranga, Kāinga Ora – Homes and Communities will be developing additional land on Haukore Street.

What's happening

As you are aware, twenty-one, one to four bedroom homes are planned for the sites at 11, 22-34, 29-31, 37, 54-58 Haukore Street. We would like to advise that, 60 Haukore Street, has also been acquired. Early planning suggests two to four additional homes which will be incorporated into the overall development.

We have been made aware of some tidiness issues. A general tidy up, around the development sites and along the street will be taking place, including removal of overgrown vegetation and rubbish.

This programme of work has been logged with our maintenance contractor and will be actioned as soon as possible (noting that due to COVID illness responses could be delayed).

Keeping in touch

As neighbours in the area, it is important to us that you are kept up to date with what is happening as this development progresses.

Our engagement and communication will continue throughout each development stage.

In the meantime, if you have any questions or would like further information, please contact me; bayofplenty@kaingaora.govt.nz or phone 0800 801 601.
