

24 February 2023

Kia Ora

**Building better, brighter homes, communities and lives.**  
**New homes for your neighbourhood – 6 Rimu Street, Rotorua**

As you will be aware, to help meet the high demand for housing in Rotorua, 2 single level new homes are planned for the Rimu Street site. These will be three bedroom homes.

These modern, warm and dry houses will help provide whānau in need of housing with a place to call home. As neighbours in the area, it is important to us that you are kept up to date with what is happening.

**What is happening**

On Thursday 2<sup>nd</sup> March and Friday the 3<sup>rd</sup> March 2023 the houses will be delivered onsite. The transportation of the houses will be conducted by Taupo House Removals. Delivery of the houses will be in a staged approach with one home each night.

Moving the houses onsite will take place early morning (excluding weekends) between the hours of 4am and 6am to minimise traffic disruption. As the trucks have easy access to the site, noise to you and your neighbours will be minimal.

Contractors will be onsite, undertaking work to prepare the site and connecting the houses to services, once delivered. This work will be carried out Monday to Friday between the hours of 7:00am and 6:00pm. Weekend work may need to take place, if required on Saturdays only.

**Keeping in touch**

As neighbours in the area, it is important to us that you are kept up to date with what is happening as this development progresses.

Our engagement and communication will continue throughout each development stage and you can find out more information at [www.kaingaora.govt.nz](http://www.kaingaora.govt.nz)

In the meantime, if you have any questions, please contact me; [bayofplenty@kaingaora.govt.nz](mailto:bayofplenty@kaingaora.govt.nz) or phone 0800 801 601.
