Keeping disruption to a minimum

Site, noise and traffic management plans are in place for this development. These provide rules and guidelines for what happens during construction. The plans will cover items like the hours during which work can be carried out, where contractors can park their vehicles and the control of dust and noise.

When construction begins, we expect building activity to take place between 7am and 6pm Monday to Friday and 8am to 5pm on Saturdays, but not on Sundays and public holidays.

Who will live in the new homes?

Kāinga Ora will match these homes to individuals and families on the Ministry of Social Development's Housing Register with the highest priority for a home of that size and in that location. Kāinga Ora work hard to ensure people are placed in homes that best meet their needs, to live well in their home and to thrive in their community. Consideration will also be given to whānau who have an existing connections to Mayfair.
