

What's happening in Church Street

Kia Ora neighbor!

As you may be aware, Kāinga Ora has been working at creating initial designs for our Church Street development.

We held an online drop-in session on 22 September 2021 to talk to you about what you wanted and what we wanted for this development.

We would now like to invite you to another drop-in session so we can share with you our early concept designs, and hear your feedback.

To help keep our community safe and to ensure we follow Alert Level 2 guidelines, this will be another online drop-in session for the community, so you can stay in the loop and have your say on our designs.
