

# New Housing coming to Crewe Crescent and Bolton Place, Palmerston North

JUNE 2022

## Kia Ora neighbour,

We wrote to you recently to let you know of the work Kāinga Ora – Homes and Communities are undertaking, to deliver much needed homes to meet the urgent housing need in Palmerston North.

Our team have been working on concept plans to ensure we are going to be using the land as best we can.

We are mindful of the impact building has on your community and would like to keep you involved with the process.

We are proposing approximately 39 homes which will consist of two and three storey apartments and standalone homes. These will consist of two, three, four and five bedroom homes which will be warm and dry to cater to those in most in need of housing.

In addition to the homes a community space is proposed, to provide opportunities for community development and a hub for whānau to connect and a place for recreational activities to be held.
