

27 September 2022

Kia ora neighbour,

You may be aware that to help meet the urgent need for more housing in the Tararua region, *Kāinga Ora – Homes and Communities* has purchased 112 & 114 Vogel Street and 66 Burgoyne Street in Woodville.

I have recently picked up responsibility for stakeholder engagement for Kāinga Ora developments across the Wairarapa and am excited to be supporting our work in this area.

### **What's happening?**

We're in the early stages of exploring how this site could be developed to provide more public housing options.

You may notice some activity on the site, including contractors on the property doing site investigation and survey work. This work will help to inform any upcoming resource or building consents.

### **Who is Kāinga Ora?**

We are New Zealand's largest residential landlord and largest client of residential building services. We partner with other agencies, local government, and iwi as well as private partners, to deliver the Government's housing priorities and help develop sustainable, inclusive, and thriving communities.

### **Keeping in touch**

We're committed to being good neighbours and keeping the community informed on what's planned for in the neighbourhood. As soon as the early draft site plans have been developed, we will share these with you and invite you to share your thoughts.

If you have any questions or would like to know more about what is planned for your area, please contact:
