Kia Ora Neighbour,

Housing Opportunities near where you live

To help meet the urgent need for more homes for whānau and tamariki across New Plymouth, Kāinga Ora – Homes and Communities are looking at how we can redevelop some of the sites we own in Frankleigh Park.

The sites we are currently looking at in your area are:

- Numbers 50, 52 & 56 Glenpark Avenue

What's happening?

We're in the early stages of exploring how these sites could be developed for public housing.

You may have noticed some activity on these sites, including contractors on the property doing site investigations and survey work.

Keeping in touch

We value your community, and we will be providing further updates and opportunities for feedback if we decide to progress with any plans.

We want to ensure we are not only building homes, but supporting sustainable, thriving and inclusive communities, and we look forward to working with communities and partners to do so.

In the meantime, if you prefer to receive updates via email, or if you have any further questions, please feel free to contact me:
