Kia Ora Neighbour,

Housing Opportunities near where you live

To help meet the urgent need for more warm, dry and modern homes for individuals and families in New Plymouth, Kāinga Ora – Homes and Communities has recently purchased land at 70-74 Eliot Street, New Plymouth.

What's happening?

We're in the early stages of exploring how this site could be developed. You may notice some activity on the site, including contractors on the property doing site investigation and survey work.

Keeping in touch

We are excited to be developing this site for much needed new homes for whānau in the area.

We're committed to keeping you updated as we progress plans for delivering these homes in your neighbourhood. Once initial high-level concept plans for the site have been developed further, we will share these with you.
