Kia ora neighbour,

We recently reached out to let you know of housing opportunities in your area.

To help meet the demand for public housing in Inglewood, Kāinga Ora - Homes and Communities is looking to build more new homes for people and whanau.

One of the ways we deliver more homes is by making better use of our existing properties. Many have large sections, and may be next to each other, so we are looking to replace these older houses with more warm, dry and modern homes across these sites.

The site we are looking at in your area is:

30 & 32 Maire Street – 6 homes

- 4 two bedroom homes (double storey)
- 2 three bedroom homes (double storey)
- Modern, warm and dry homes which are low maintenance, insulated, and double glazed, with carpet and curtains

Please note these are very early proposed plans, no decisions have been made and could change as we progress.
