New homes for 1-5A McClintock Street, Whau Valley

Kāinga Ora – Homes and Communities wrote to you in January 2022 to let you know of our plan to deliver warm, dry homes, built to modern building and design standards at **1-5A McClintock Street, Whau Valley**.

The development consists of:

- 2 two-bedroom homes
- 2 three-bedroom homes
- 1 four-bedroom home
- 2 five-bedroom homes
- 1 six-bedroom home

We are pleased to advise that construction is nearing completion. Upon completion, the houses will go through Kāinga Ora's quality control checks and final inspection from Consentium; the Building Consent Authority for this project. Once any identified issues are rectified, Consentium will issue a Code Compliance Certificate. When this is received, the homes will be ready for their new residents to move in.

We wish to take this opportunity to thank the neighbourhood for its patience during construction.

If you would like more information on this project, please visit our website at:
