New housing for 24-26 Ross Street, Onerahi

Kāinga Ora – Homes and Communities wrote to you in December 2021 to let you know of our plan to deliver warm, dry homes, built to modern building and design standards at 24-26 Ross Street, Onerahi. This redevelopment will see two old existing homes replaced with five new two-bedroom homes.

As a person and/or whānau who has an interest in these sites, we wanted to confirm that activity will soon begin on site to remove the remaining existing house.

This work is expected to commence from 28th February and conclude on 15th March.

The work being completed during the first week includes a surveyor attending, power decommissioning and temporary fencing installation.

Our contractor, Northzone Contractors, will also contact you to keep you updated on their progress.

For more information on the Northland Housing Programme, please visit our website at:
