New homes for 10 Tawa Street, Kaikohe

Kāinga Ora – Homes and Communities is leading the largest government housing build programme in decades to help address the country's housing shortage. We are replacing many of our older public homes, particularly those that don't make the best use of land and weren't designed to meet the needs of today's customers.

As part of this programme, we will be delivering two new homes on the property at **10 Tawa Street, Kaikohe**. The new three bedroom homes have been built by Keith Hay Homes, and have been transported via truck to Kaikohe.

The next step is for local build partner Far North Roding Group to complete the final onsite building works. As a person and/or whānau who has an interest in this site, we wanted to confirm that this work will soon be taking place. The expected timeline for the completion is June 2023.

We thank you for your patience.
