### **New homes for 94 West View Crescent, Onerahi**

Kāinga Ora – Homes and Communities wrote to you in July 2021 to let you know of our plan to deliver warm, dry homes, built to modern building and design standards at **94 West View Crescent, Onerahi**.

As a person and/or whānau who has an interest in this site, we wanted to confirm that this work is now underway. Our build partner for this project is **NPM Construction**.

Kāinga Ora has a large number of properties where we have old homes sitting on under-utilised, large sections. Our intention is to better utilise these sections by building a greater variety of new, warm, healthy homes, designed to complement the local environment and meet the needs of today's tenants.

The redevelopment of this property will see a new warm, dry, modern **five bedroom home** built on the site.

We are looking forward to seeing the brand new home that will take shape in the coming months.

If you would like more information on this project, including the plan, and artist impression, please visit our website at:

We thank you for your patience.

Ngā mihi
