

May 2022

Kia ora,

Building better, brighter homes, communities and lives.
Update on house demolition at 61 Scannell Street, Taupo.

Site preparation and demolition work is expected to get underway this week and is planned to be completed by early June.

The demolition work will be carried out by Ward Demolition, contractors with considerable experience. They will ensure all health and safety guidelines are followed at the site. This work will be carried out Monday to Friday between the hours of 7:00am and 6:00pm. No work will be conducted in the weekend.

Please note, there will be trucks and diggers on site and this will create some noise and dust. The contractors will be doing all that they can to limit this, and will clean up the area once the work is done.

We are excited to be providing much needed new homes for people and whānau in Taupo most in need of housing.

In the meantime, if you have any questions or would like to further information, please contact me bayofplenty@kaingaora.govt.nz or phone 0800 801 601.

Ngā mihi
