Kia ora Neighbour,

As you know, we are looking at building new public housing in your neighbourhood to help meet the need for housing. We are mindful of the impact building has on your community and want to keep you up to date with the process.

Since our last letter drop, dates have changed on our projects at 47 Astrolabe Street, 6 Bellona Place and 11 Justine Street. We have delayed our construction of these homes and now expect the homes to be delivered in August 2022.

We apologise for any inconvenience this has caused and will be in touch before construction is scheduled to start. For more information, please go to our website www.kaingaora.govt.nz and search the street name.
