

2 March 2022

Kia ora neighbour,

Notification of new structural steel deliveries at Rolleston development

On Monday 7 March at approximately 10.00am, we are expecting a delivery of structural steel. This will be a long load delivery vehicle and we will have the traffic management team on Rolleston Street to manage this delivery.

To complete this work safely and efficiently we ask residents to not park outside numbers 32 Wallace Street through to 7 Rolleston Street and from 22 - 40 Rolleston Street from 8.00am on Monday 7 March. We expect this delivery to be completed by the end of the day.

The truck will drive up Rolleston Street and reverse onto the site where a crane will be set up to unload the materials.

Plan of street parking to be cleared prior to delivery.

Keeping you informed and contacts

We will continue to keep you updated with progress via letters, the Kāinga Ora Mount Cook newsletter and online at www.kaingaora.govt.nz/rolleston.

If you have any questions regarding the project please contact Kāinga Ora Stakeholder Relationship Manager Caroline Speight, 0800 801 601 (please ask to be transferred) or email mtcook@kaingaora.govt.nz.

For any concerns about the site especially relating to hazards, please contact me or our Senior Site Manager Hayden McMorran.

Once again, thank you for your patience and understanding while we build these much-needed homes.

Ngā mihi
