8 July 2020

Dear Neighbour,

Arlington Apartments redevelopment, Wellington – demolition update

Ahead of the public housing redevelopment of the Arlington Apartments site in Mount Cook, Quality Demolition and Contracting Limited (QDC) has been contracted by Kāinga Ora to carry out the demolition of the George Porter Towers. QDC will carry out this work in a safe manner with public and other people's safety our highest priority.

Planned hard demolition of the building is due to start on **Tuesday 13 July 2020**. Completion of this work should take around three months, however it is weather dependent. Hours of work will be between 7.30am to 5.30pm, Monday to Saturday unless unforeseen circumstances arise which may cause these hours to be altered.

For safety reasons, throughout the demolition traffic management will be in place while our trucks are loaded with and remove material from site. We have site hoardings and scaffold protection in place already, and there is strictly no unauthorised site entry permitted. We also ask you to please keep any viewing at a safe distance.

Due to the nature of this work, at times throughout the demolition there may be some vibrations felt. This work will also be noisy and dusty at times. The dust will be minimised by dampening down with water using a misting sprayer attached to the end of our long-reach excavator boom. Silt controls are in place to help with any runoff and all controls will be monitored throughout the demolition.

We will do our best to minimise all potential hazards and carry out this work to the highest safety standards, however should you have any concerns please don't hesitate to call our onsite Health and Safety Assistant Chris Flood, 021 730 027 or email safety@qualitydemolition.co.nz. We will act appropriately to sort the issue in a timely matter.

We apologise for any inconvenience and thank you in advance for your patience and understanding. If you have any questions or want to know more, please contact me on 021 730 812 or jamie@qualitydemolition.co.nz or you can also contact Kāinga Ora's Senior Stakeholder Relationship Manager Renee Regal on 021 998 724 or renee.regal@kaingaora.govt.nz

Regards

Jamie Cory
