

3 April 2023

Dear Neighbours,

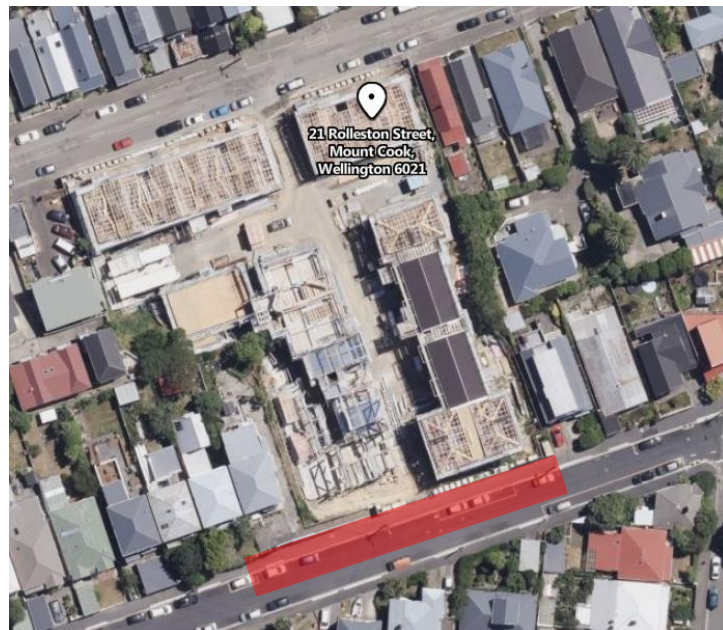

This letter is to update you all with the traffic management arrangements on Hargreaves Street from Wednesday 5 April 2023 through to 14 April 2023.

Please see the below picture where parking will be restricted (along the red zone). This access is to complete the excavation works for the new services connections for the Kāinga Ora development. The work involved includes new underground power, water and sewer connections.

Near the end of the works, we may need short breaks to the water supply network and we will notify those involved closer to the time.

We thank you for your ongoing patience and apologies for the continued inconvenience.

Please do not hesitate to contact the Hawkins team or Kāinga Ora should you have any questions or queries.

Kind Regards

Lachlan Collett
