

25 May 2023

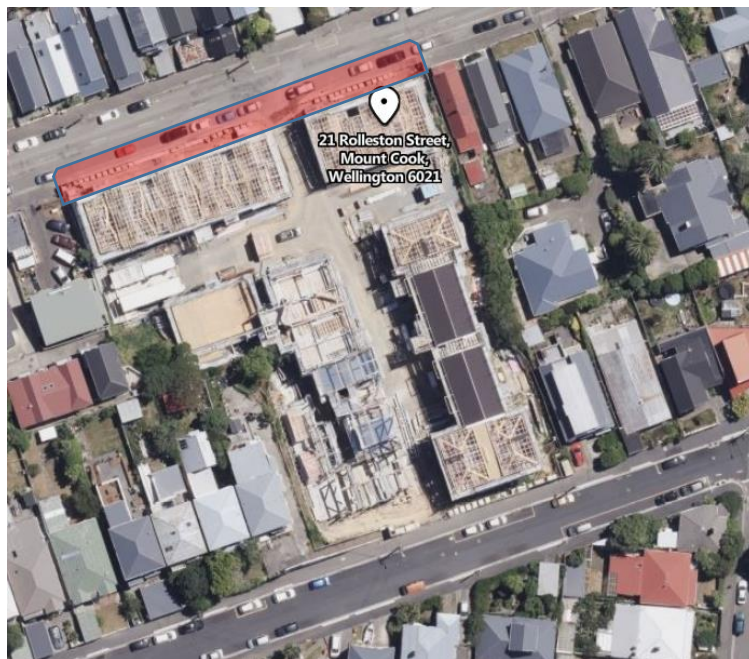

Dear Neighbours

This letter is to update you about the parking arrangements on Rolleston Street which will continue from today until 15 June 2023. We apologise for not sharing this update with you earlier.

These arrangements are needed so we can complete the final finishes along Rolleston Street and will conclude with the new pedestrian footpath on the southern side of Rolleston Street.

As this work includes the use of large equipment, this traffic management plan will include the pedestrian footpath and lane closures to maintain a safe working zone on Rolleston Street.

We apologise for the continued inconvenience that this work entails and will do our best to minimize any disruption. Please do not hesitate to contact the Hawkins team or Kāinga Ora should you have any questions or queries.

Kind Regards,

Zina Gota – Site Supervisor
