First Home Grant

On 1 October 2019 the KiwiSaver HomeStart Grant became the First Home Grant.

The KiwiSaver HomeStart Grant replaced the KiwiSaver deposit subsidy from 1 April 2015. Like the KiwiSaver Deposit subsidy, the First Home Grant provides each eligible first-home buyer with a grant of up to \$5,000 to put towards the purchase of an existing/older home. In addition, the First Home Grant also provides each eligible first-home buyer with a grant of up to \$10,000 to help with purchasing a brand new property.

As at 1pm, 22 May 2024 Kāinga Ora ceased accepting new applications for First Home Grants. Applications received before this time either have been or are being processed.

No First Home Grant applications were received or processed in the quarter ending 31 March 2025.

First Home Loans

First Home Loans (known as Welcome Home Loans prior to 1 October 2019) are offered by lenders, supported by Kāinga Ora, and designed for first-home buyers who can afford to make regular repayments on a home loan, but have trouble saving for a large deposit. First Home Loans only need a five percent deposit, not a ten or twenty per cent deposit as required by most lenders. Kāinga Ora does not issue the loan. This is done through lenders such as selected banks and credit unions. Kāinga Ora underwrites the loan for the lender. Individual applicants are required to meet the lender's specific lending criteria. Income and House Price Caps apply. The large increase in approvals for First Home Loans from July 2022 is due to the removal of price caps that took effect from 1 June 2022.

First Home Loans - Approvals and Settlements

Tenant Home Ownership

Kāinga Ora may at times offer its tenants the opportunity to purchase the house they rent. Not all properties are for sale, particularly in high-demand areas. This programme began in September 2009.

The Tenant Home Ownership grant is available to eligible tenants that are purchasing the Kāinga Ora home they are living in. The grant is a gift of 10 percent of the purchase price up to a maximum of \$20,000. The Tenant Home Ownership grant is not available in areas where there is high demand for state houses, for example Auckland, Wellington City, Christchurch, Hamilton and Tauranga.

KiwiSaver First Home Savings Withdrawal

The KiwiSaver First Home Savings Withdrawal is administered by individual KiwiSaver scheme providers who report data on the withdrawals to Inland Revenue. Although Kāinga Ora does not administer this withdrawal, it forms part of the Government's programme of assistance for first home buyers.

KiwiSaver Savings Withdrawal Determination for Previous Homeowners

First-home buyers are able to apply to withdraw all or part of their savings to assist with purchasing a first home. All funds, except for \$1,000, can be withdrawn.

Previous homeowners may still be eligible for a KiwiSaver first-home withdrawal, providing they are deemed to be in the same financial position as someone who has never owned a property. This financial assessment is conducted by Kāinga Ora and if the client is eligible, Kāinga Ora provides them with a letter to assist with their application to withdraw their contributions. The number of applications approved increased beginning with the July – September 2019 quarter, following the removal of the income cap test on 1 July 2016.
