s9(2)(a)

Thank you for your email dated 12 December 2023 to the Ministry of Housing and Urban Development requesting the following information under the Official Information Act 1982 (the Act):

“Can you please inform me if there are any current or future plans for social/public housing of any kind in Northcote and Birkenhead Points?”

As you were advised on 18 December 2023, your request was transferred in part to Kāinga Ora, which manages the social housing portfolio, including redevelopments, land purchases, and building new homes.

I have been advised that currently, there are no plans to develop social housing in Northcote Point and Birkenhead Point now or in the future. Kāinga Ora does, however, have developments in other parts of Northcote, which are at various stages of work.

Kāinga Ora provides regularly updated information on our developments on our website.

Information on our developments can be found at this link.
