

29 OCT 2018

I refer to your official information request, received 11 October 2018, for the following information:

'What percentage of Housing New Zealand homes have been built in the 2000's, 1990's, 1980's, 1970's, 1960's, 1950's, 1940's, 1930's, 1920's, 1900's?'

The information you have requested is below.

As at 30 September 2018, Housing New Zealand had 64,055 managed stock properties. Please note that 3.86% of the properties we manage are not owned by Housing New Zealand.

The table below shows the percentage of properties, managed by Housing New Zealand, built in the decades requested.

Year	2000s	1990s	1980s	1970s	1960s	1950s	1940s	1930s	1920s	Older
Percentage	15.86%	7.57%	14.42%	17.12%	17.44%	12.53%	12.66%	1.9%	.31%	.19%

Thank you for your request.

Yours sincerely
